A presentation of The Humble Servant

# “Greetings

to the 13 Tribes of Israel scattered to the four winds. And also to those called by YHWH’s name. Hope that everyone is in sound health and mind as we endure in the wilderness of the nations.”

The Year of APOCALYPSE

# The Humble Servant

The intended purpose of The Humble Servant is to be a source of support information, from the servant's understanding, of the Hebrew scriptures and how it correlates to current global affairs. The servant is not an Apostle, Pastor, Teacher, Deacon, Elder, Rabbi, Prophet, Reverend, Moreh, etc. or hold any seminary qualifications or high religious office. As a servant the only concern is to execute the will of the God of Abraham, Isaac and Jacob holding fast to His truth. And hopefully providing knowledgeable insights towards making informed decisions.

The listed abbreviations/terms are used to mean the following:

**YHWH** – Yehowah, Yehouah, Yehovah, etc. or your preferred name pronunciation for the God of Abraham, Isaac and Jacob

**LXX** – Septuagint

**MT** – Masoretic Text

**KJV** – King James Version

**OT** – Old Testament

**NT** – New Testament

**The Man of the NT** - Jesus/Yeshua/Yahawashi/Messiah depending on the religious ideology you ascribe to

The primary scriptures reference for the OT is from the LXX with the NT being the KJV. Where there is variation in the scripture reference for the OT both LXX and MT is referenced. All reference sources are the copyright of the respective content owner and attribution would be given.

# INTRODUCTION: Apocalypse

The only way to keep a secret is to tell it to a dead man. That way you are certain that it would never be revealed. Having a secret is not a bad thing, but when that secret details wicket acts it should be exposed to sunlight for discernment and justice. The title of this presentation has nothing to do with doom and gloom as is the perceived meaning of the word **Apocalypse** tends to be associated with. The opening remarks of this presentation highlights the concept of a secret and how it can be kept. How does a secret apply to **Apocalypse**? Contrary, the word has a totally different meaning from the recognized understanding. Once the understanding of **Apocalypse** is clarified, then the exposure of any secret considered off limits will be justifiable in any matter of public importance. As this presentation progress it will '**uncover**' what **Apocalypse** and why the current civil/christian year of 2024 can be labelled as **Apocalyptic**.

# The Meaning of Apocalypse

Psalms 18: 3 LXX | 19: 3 MT: **“There are no speeches or words, in which their voices are not heard.”**

King David, as translated in the LXX, convey that words being express is to be heard and understood. If the meaning of a word is misinterpreted, or redefined, the exposition is lost, and the intent expressed is open to be misjudged.

One such word is **‘Apocalypse’** which is commonly tied to the NT book of Revelation:

The Greek title of this book is “Apocalypse of John”, and the word ‘apocalypse’ is a transliteration of the Greek word for revelation:

The Year of APOCALYPSE

# The Meaning of Apocalypse

Trying to get a biblical definition may not convey the literal meaning for comprehension:

Apocalypse (See Apocalyptic Literature)

Apocalyptic Literature: There are two types, canonical and uncanonical. The first includes Daniel and Revelation which give revelations of the secret purposes of God, the end of the world, and the establishment of God's Kingdom on earth. The second appeared between c. 200 B.C. and A.D. 200 and also purports to give revelations of the last judgment, and the hereafter. Outstanding apocalypses are I Enoch, Jubilees, Assumption of Moses, Second Esdras, Apocalypse of Baruch, Second Enoch. The Testaments of the Twelve Prophets, the Psalms of Solomon (17th and 18th), and the Sibylline Oracles are also usually included in a discussion of apocalyptic literature. Certain characteristics mark them. They deal with the future; imitate the visions of the Prophets; are written under the names of OT worthies; use symbolism; are Messianic.

Zondervan Compact Bible Dictionary, ©1993, pg 48

**apocalyptic literature** Religious writings that claim to present a mystical revelation from God, generally in symbolic language, and usually involving the prospect of devastating supernatural intervention in human history in the end times. This literature, with its roots in OT prophetic vision, reflected a growing pessimism about life in this world. After the Babylonian captivity, Israel remained oppressed by a series of Gentile world-empires. Even the struggle during the 160s B.C. that led to limited independence fell far short of Israel's dreams, But why, after rejecting the idol worship for which she was punished, was Israel not restored to her former glory? The apocalyptic literature that emerged between 200 B.C. and A.D. 100 attempted to explain the mystery of the silence of Israel's God.

The Revell Bible Dictionary Deluxe Color Edition, ©1990, pg. 74 – 75

From the references, observe that '**Apocalypse**' and '**Revelation**' is not a NT concept.

The Year of APOCALYPSE

# The Meaning of Apocalypse

Hearing pastors preaching about the book of Revelation, a sense of fear and terror flood the hearts of parishioners not longing to ever experience those events. Even to the point where it, Revelation, would not be read by many of the laity because of the perception embedded in thoughts and understanding. The word in itself, 'Apocalypse', is not a menacing word. Contrariwise, a word to be embraced based on the actual connotation.

So then, what is the actual meaning of 'Apocalypse'?

apocalypse, n. [1. apókalips; 2. apókælips], fr. Lat. apocalypsis, fr. Gk. apokálupsis, 'revelation', fr. apokalúptein, '**uncover, disclose**', fr. apo- & kalúptein, 'to cover', wh. is cogn. w. Gk. kalúbē, 'cabin', kálumina, 'woman's veil'; fr. Aryan base \*kel- &c., 'hide, cover', cp. Lat. cēlāre, 'hide', occulo, 'hide'. See conceal, occult. *A revelation of the last things; specif., that made to St. John and recorded by him in the last book of the New Testament, called also the Book of the Revelation of St. John the Divine.*

The Year of APOCALYPSE

# The Meaning of Apocalypse

Two key words from the Webster Universal Dictionary definition is **'uncover'** and **'disclose'**. Hence the name given to the NT book when the Greek is translated to English, **'Revelation'**. To reveal is the key meaning of **'apocalypse'** and the awareness is pivotal in why some secrets must, or will, be **'uncovered'** and **'disclosed'**:

**Deut 29: 29 [LXX]:** The secret things belong to the Lord our God, but the things that are revealed belong to us and to our children for ever, to do all the words of this law.

The truth regarding matters pertaining to man cannot be kept a secret. Additionally, for starters, having the correct perception of a word establishes the intended interpretation of the analogy [**between the word and the scriptures and the cultural identity of the people being spoken to**].

Thus, breaking down the meaning of **'apocalypse'**, is the first step in grasping why this year, 2024, have turned out to be Apocalyptic.

The Year of APOCALYPSE

# The Meaning of Apocalypse

The 'Beast of the Sea' is one of the many tropes from the NT book of **'Revelation'** that gives the apocalyptic feel of doom, gloom and foreboding. Though this imagery is being 'revealed' in symbolic metaphors the understanding is far removed from the notion of **'uncovering'** and **'disclosing'**.

The concept **'Apocalypse'** is not a NT idea. As stated in both Zondervan & Revell Bible Dictionary it is echoed across the OT scriptures with Isaiah 24 – 27 academically describes as the **'Apocalypse of Isaiah'**. The imagery across the scriptures of the OT is more descriptive, revealing and doomish compared to the NT book of Revelation.

In the presentation Unlike Any Other, Isaiah 24 was referenced highlighting how things are going to get disastrous/evil as society continues along the current trajectory. World society is uneasy, and their discontent is getting vocal as war seems likely and the internet amplifies the discontent.

# The Meaning of Apocalypse

With the correct meaning of **Apocalypse**, ['uncover', 'disclose', & 'reveal'], established the tone is set for understanding the **Apocalyptic** dimensions of all the secret things that are now 'open' in the public discourse. The secrets are now exposed for the global society to scrutinize and judge. Secrets previously discussed would brand you a '**Conspiracy Theorist**' and a '**Tin Foil Hat**' advocate.

**YHWH** truth about everything must be set before all. Ignorance is not acceptable if people wish to turn a blind eye and bury their head in the sand like an Ostrich. The truth of everything must be **Apocalypsed** and it will be broadcasted for every eyeball to as the curtains are pulled back, as all occult and esoteric matter is revealed to the masses.

The Year of APOCALYPSE

# Why is this Apocalypse now happening?

2024 have turned out to be a year of exposure as many things spoken in secret is now in the public domain. Katt Williams, in his super viral conversation with Shannon Sharp, unapologetically stated things that have come to pass naming names and setting the record straight.

Since this dialogue, with Katt and Shannon, we have heard and seen many with the courage to speak of their experiences and stand firm on what was done to them by persons with influence and authority. It will be right to question the validity of the claims made against people and institutions, but it should not go unnoticed and deep sixed into the trash.

Outside of the statements made by Katt, we have also seen the political landscape turned on it's head globally with the US elections, the fall of governments in France, UK, in and around Europe, Syria, Africa and soon here in Canada. Simple society is disgusted, angry, frustrated, over & underwhelmed, anxious, indifferent etc. as those who hold the key to power and influence continue to belittle the rest of society.

# Why is this Apocalypse now happening?

Historical, scientific, archeological, religious, ethnic facts are being challenged as those narratives are no longer holding to authenticity or accuracy as new evidence is emerging in the public view. The **exhibition** [ **think about a person being naked in public view** ] about everything is driven by the internet and interconnected technology that makes it easy to record, publish and distribute information. As King David stated:

**Psalms 9: 15 [LXX]:** The heathen are caught in the destruction which they planned: in the very snare which they hid is their foot taken.

The fake/false façade that was built up over the generations is falling like an avalanche as the glue [time] that kept it together is no longer to their advantage. Fairy tales are fearing better than the history told by those who have been wielding the power.

“It’s really cool to be alive in America at this point in history because it’s like the collapse of the Roman Empire but with wi-fi”

## **Apocalypse of fabricated History:**

The Year of APOCALYPSE

# Why is this Apocalypse now happening?

The million-dollar question is why the apocalypse has intensified at this moment in time? The curtains have always been peeled back with brave souls speaking out through radio, print media and eventually video when the technology was available in the past. You can find these commentaries with searches on the internet. Unfortunately, these revealers have been criticized, led by the establishment, and labeled with disparaging catch phrases such as '**Conspiracy Theorist**' and '**Tin Foil Hat**' monikers. Their exposure was considered far fetched and unrealistic.

But now, nothing is far fetched. The God of Abraham, Isaac and Jacob is stirring the nations as **He** ends the reign of Babylon. **YHWH** is removing the authority he bestowed on Babylon in *Daniel 2 by establishing King Nebuchadnezzar vision*. When the kingdom of Judah was exiled to Babylon, a time was set by **YHWH** for the **Babylon-Nations** to have authority over the earth to show the house of Jacob that being like the nations aren't worth it, and for us to judge between their laws and His laws. It is evident that YHWH laws is far superior to Babylon's and it has been a bitter lesson to learn. King Nebuchadnezzar kingdom was the start, and he challenged **YHWH** and was put in his place. We are now at the **Babylonian-Kingdom** of the toes, and they are trying to retain the authority and power.

**Apocalypse of Nebuchadnezzar**  
[dream-3.jpg \(3543×1506\)](#)

# Why is this Apocalypse now happening?

**YHWH** is stripping their authority before the eyes, and ears, of the scattered house of Israel and the nations:

**Isaiah 35: 4 – 5 [LXX]:** <sup>4</sup>Comfort one another, ye fainthearted; be strong, fear not; behold, our God renders judgement, and he will render it; he will come and save us. <sup>5</sup>Then shall the eyes of the blind be opened, and the ears of the deaf shall hear.

Apart from the heathen falling in their own trap, they will be judged for their actions while they had the authority and control over the whole earth:

**Psalms 57 (58 MT) 1 – 3 [LXX]:** <sup>1</sup>For the end. Destroy not: by David, for a memorial. If ye do indeed speak righteousness, then do ye judge rightly, ye sons of men. <sup>2</sup>For ye work iniquities in your hearts in the earth: your hands plot unrighteousness. <sup>3</sup>Sinners have gone astray from the womb: they go astray from the belly: they speak lies.

Not excluding the 'gods' that orchestrated their will in the shadows who has challenged the authority for **YHWH** from the beginning:

**Psalms 81 (82 MT) 1 – 3 [LXX]:** <sup>1</sup>A Psalm for Asaph. God stands in the assembly of gods; and in the midst of them will judge gods. <sup>2</sup>How long will ye judge unrighteously, and accept the persons of sinners? Pause. <sup>3</sup>Judge the orphan and poor: do justice to the low and needy.

The Year of APOCALYPSE

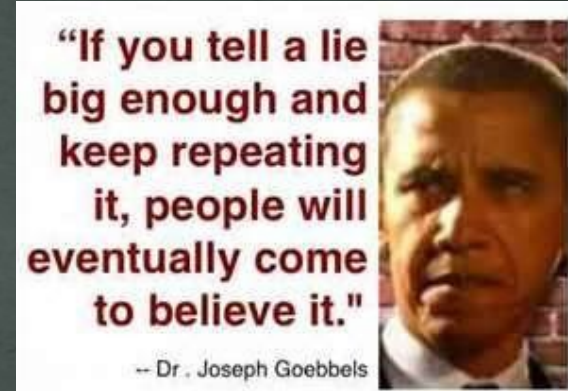

# Why is this Apocalypse now happening?

The punishment of the House of Jacob is at an end as the authority is transitioning back to Jacob through the tribe of Judah:

**Ezekiel 37: 15 – 20 [LXX]:** <sup>15</sup>And the word of the Lord came to me, saying, <sup>16</sup>Son of man, take for thyself a rod, and write upon it, Juda, and the children of Israel his adherents; and thou shalt take for thyself another rod, and thou shalt inscribe it for Joseph, the rod of Ephraim, and all the children of Israel that belong to him. <sup>17</sup>And thou shalt joint them together for thyself, so as that they should bind themselves into one stick; and they shall be in thine hand. <sup>18</sup>And it shall come to pass, when the children of thy people shall say to thee, Wilt thou not tell us what thou meanest by these things? <sup>19</sup>Then shalt thou say to them, Thus saith the Lord; behold, I will take the tribe of Joseph, which is in the hand of Ephraim, and the tribes of Israel that belong to him, and I will add them to the tribe of Juda, and they shall become one rod in the hand of Juda. <sup>20</sup>And the rods on which thou didst write shall be in thine hand in their presence.

Hence all lies will be exposed at this moment. The truth will be laid open for everyone to make an informed assessment and to adjust. No one will be without excuse as the truth is before the house of Jacob and the nations.

# What comes next?

2025 will have started, or fast approaching, depending on when this presentation is published and viewed. Speculating as to how the coming/new civil/christian/gregorian year is necessary as there is no stopping the Apocalypse as it continues. The Apocalypse will keep snowballing as **YHWH** continues to lay the truth for all to see and judge. As their authority diminish what is to be expected as the sun continue to revolve around the earth?

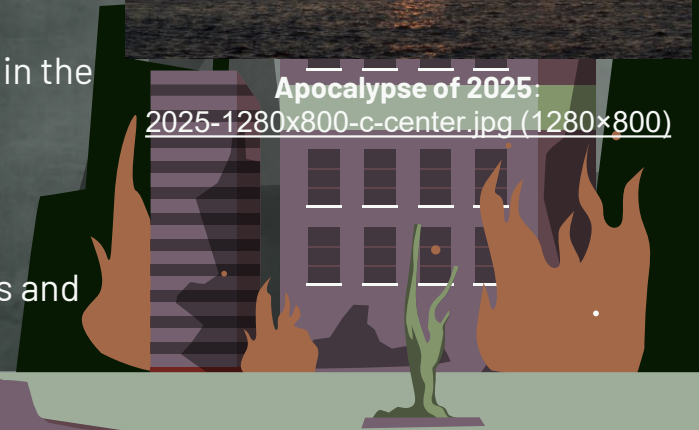

Turbulence is to be expected leading up to the events spoken of in the Apocalypse of Isaiah 24:

Here are some of the turbulence as the Apocalypse of 2024 ends and 2025 emerges....

Expect to see so called former British and Spanish holdings to follow suit. People should question if a country is truly independent.

Currently dominating news spaces is the political crisis in Canada where the current PM has been scandal plagued. Other governments are currently in the news cycle such as the Trinidad & Tobago finance minister and billions unaccounted. ## The truth of everything

Nikolai Gogol (1809 – 1852) was a Russo-Ukrainian novelist and playwright who had a significant influence on Russian literature. The quote "Everything resembles the truth, everything can happen to a man" is taken from his literary work 'Dead Souls' which many believe was inspired by the work 'Divine Comedy'. The first part of the quote, 'Everything resembles the truth' typifies the state of society with the lies masquerading as the truth.

**Jeremiah 9: 3 [LXX]:** And they have bent their tongue like a bow: falsehood and not faithfulness has prevailed upon the earth; for they have gone on from evil to evil, and have not known me, saith the Lord.

What is the truth about everything? It begins with who is **YHWH** is, his creation, authority and laws. He is the one that created heaven and earth and it's true nature [Helio vs Geo centric (Gen 1, Jeremiah 10: 12)]. His authority is above every god and man that exist [Deut 10: 17]. His law is the truth and righteous altogether [Psalm 118\119: 142]. This also includes the truth about nations and tribes and how they should function and is governed (Gen 11). Additionally, the record about life in general and the authority, dominion and responsibility bestowed upon mankind when the creation was established by YHWH. The lies have misguided society, and the consequences have been far reaching.

The Year of APOCALYPSE

# CONCLUSION: Keep your mind sharp

The **Apocalypse** that was kicked off in 2024 is about the '**Revelation**', '**Uncovering**', '**Disclosing**' of the underbelly of society that came to prominence starting with the Katt Williams interview that was heard around the earth. As 2024 is now a wrap, and 2025 commences there is no stopping the **Apocalypse** of truth. All the sanctioned scriptures is coming alive as the locked riddles are **Apocalypsed** for the house of Israel, and all those who trust in **YHWH**.

The **Apocalypse** was kicked into overdrive with the internet as the underlying factor to get the message out. If you are not aware, the internet was developed as a robust communication platform for war purposes. Since it's commercialization we have seen an explosion of information distribution peeling back the curtain on dark Babylon which is likely not the intended outcome wanted by the system's overseers. All social media, sitting on the internet infrastructure, from its existence have given the spotlight on the low downs of the Babylonian-Kingdom.

With the **Apocalypse** progressing, keeping your mind sound is a requisite as Babylon is imploding and the fallout will impact your mental state if you are not of a sound mind. Things are going to wilder as the new year establishes itself.

Babylon Burning.jpg (480×360)

The Year of APOCALYPSE

# CONCLUSION: Keep your mind sharp

It will get overwhelming as more unsavory disclosures coupled unrest as corrupt institutions can no longer maintain the 'white marble' facade that aided in their deception. **Apocalyptic** events are going to be mind blowing and maintain a strong cognitive resolve, and putting your trust in **YHWH**, will see the righteous enduring:

**Nahum 1: 7 [LXX]:** The Lord is good to them that wait on him in the day of affliction; and he knows them that reverence him.

The destruction of Babylon is coming, keep your mind, gain wisdom and let YHWH will be done:

**Jeremiah 28 [LXX] (51 MT): 54 - 55:** <sup>54</sup>A sound of a cry in Babylon, and great destruction in the land of the Chaldeans: <sup>55</sup>for the Lord has utterly destroyed Babylon, and cut off from her the great voice sounding as many waters: he has consigned her voice to destruction.
